

Dear Prospective Sponsor:

Light of the World Clinic has been serving our community since 1989 by giving free medical services to low-income uninsured residents. We can provide these services free of charge in large part due to our generous group of volunteer staff, community partners and private donors. The clinic serves thousands of patients annually and offers free medical visits by their volunteer providers in the following specialties: General Medicine, Infectious Disease, Gynecology, Urology, Psychology, Dermatology, Cardiology, Pediatrics, Ortho and Chiropractic.

As the rise in uninsured grows, the clinic knows first-hand the value of preventative medicine and offers these services to educate patients and help prevent chronic illnesses from becoming unnecessary emergency room visits and hospitalizations!

The clinic puts on an annual Community Health Expo and this year it will take place on Saturday, March 17, 2012 from 9 AM to 2 PM at the Coral Ridge Presbyterian Church located at 5555 N Federal Hwy, Fort Lauderdale, FL, 33308. We will be providing health screenings such as blood pressure, blood sugar, cholesterol, and BMI as well as immunizations. We expect at least 300 people of all ages this year. This event also provides the uninsured community with information on what services and resources are available to them.

It is our sincere hope that you will choose one of the sponsorship levels listed below while also providing you a great opportunity to get your corporate name out in front of 300+ Broward County Residents.

- **Bronze Sponsorship:** \$250.00 (Table for two/signage on banner/sponsorship of one health screening)
- **Silver Sponsorship:** \$500.00 (Table for four/signage on banner/sponsorship of two health screenings)
- **Gold Sponsorship:** \$1000.00 (Table for four/signage on banner/sponsorship of three health screenings)
